Dear Mr. Dulles:

I am distressed to receive your letter of the 17th stating that you find it impossible to speak to the leadership of the Virginia club women. But, of course, I know that you are pushed for time and have many requests. Nevertheless, these women were so very anxious to have you on their program.

I do hope for better luck another time.

Sincerely yours,

Mrs. Dave E. Satterfield, Jr.
Mrs. Dave E. Satterfield, Jr.
